

Donor Privacy Policy

One World Children's Fund ("One World") is committed to respecting the privacy of donors. We have developed this Donor Privacy Policy to ensure that donor information will not be shared with any other organization, to inform you of the way your information is used, and to provide an opportunity to be removed from our mailing list and make donations anonymously, if desired.

The types of donor information that we may collect and maintain, include:

- Contact information, including name, address, phone number, and email address
- Payment information, including credit card number, expiration date, and billing information
- Information concerning how you heard about One World
- Employer name and address, in cases of employer matching contributions or donations made on behalf of employers

How Information Is Used

We use your information to help you complete transactions, communicate with you, acknowledge your contributions, and update you on One World's activities. Credit card numbers are used only for donation or payment processing and are not retained for other purposes.

No Sharing of Personal Information

One World will not sell, share, or trade your personal information with any other organization, nor will we send mailings to you on behalf of other organizations. Donor contact information will be kept confidential, except where disclosure is required by the government for tax filings. The identity of One World donors will be kept confidential, except where disclosure is required by the government for tax filings or where disclosure is made to honor your contribution (such as in our donor honor roll). You may request to make your donation anonymously, in which case your name will not be used publicly for acknowledgement purposes. Use of donor information will be limited to furthering the organization's internal purposes and activities, including acknowledging and honoring your contributions. To the extent any donations are processed through a third-party service provider, donor information will only be used for purposes necessary to process the donation.
